# Seasons Greetings

It's been another wonderful year! We are proud of the gallery exhibitions, the classes, all the events and programs that took place at the CCCAC. We really appreciate you, our membership, for all the ways in which you support our efforts: for your financial and other contributions, for coming to gallery receptions and events such as the Poor Artists Sale, for taking a class, for shopping in the gallery, and for bringing your family and friends along to enjoy all that the Arts Center brings to our community. We couldn't do it without you. We wish you and yours all the best in the coming year.

*Warmest wishes,*

Cynthia, Bonnie, & your friends at the CCCAC

## 6x6 Fundraiser

CCCAC Kerredge Gallery  
December 13-16, 2017

\$40/ticket for each work of art

The CCCAC gave out sixty 6x6 inch canvases and asked artists to create a small work. Purchase a \$40 ticket to receive one of these works of art, chosen at random, through a drawing on December 16th. Everyone that buys a ticket gets a work of art, but the surprise is you won't know which one until Dec. 16th.

The public may view the 6x6 show from December 13th-16th in the Kerredge Gallery at the CCCAC. The 6x6 reception will be on Saturday, December 16th from 1-3pm, with the drawing starting at 1:30pm. If there is a work you would like to purchase outright, then \$100 donation total before the drawing begins gets you the one you choose. Ticket holders do not need to be present during the drawing. Call us at 906-482-2333 or email [bonnie@coppercountryarts.com](mailto:bonnie@coppercountryarts.com) to get your ticket.

## Letterpress, Books, & CCCAC Merchandise Shop

In February 2012 we celebrated the opening of our Letterpress Studio which was long in the making. When we received the original donation of the letterpress and bookbinding shop from Brian Johnson in December 1999 we had no home for it, so it stayed in storage for many years. Even when we started to move the equipment into our building, our knowledge of the machines, tools, and materials was limited. With Bonnie Loukus' and Dan Schneider's perseverance and dedication to the project, they both have cultivated a solid knowledge of letterpress printing. Bonnie has developed the Book Arts Camp for youth and Dan has taught a number of introductory classes for adults and provided public demonstrations. Our next step time is to focus on developing a line of products that we can sell in the gallery to increase revenue and continue to foster the appreciation of the craft of letterpress printing. The Community Arts Center will be closed to the public for the month of January, which will enable us to go into full production. We will be designing and printing a line of letterpress products for sale to benefit the CCCAC including multiple note card designs, small hand bound blank journals and notebooks, posters, and gift items. **When we reopen in February you will be able to visit our shop in the Sales Gallery!**
