Key Ingredients - Friday, July 14 6-8pm

Key Ingredients is a tradition in Hancock featuring live music throughout downtown and food sampling from participating restaurants. This year the street will be closed and there will be demonstrating artists in front of the Arts Center! Join us on July 14 from 6-8pm to visit with and learn from demonstrating Artists: Bill Wiard-wood turning, Tammy Gajewski-watercolor painting, Pam Hecht-acrylic pours, Clyde Mikkola-drawing, Edith Wiard-collage, and Kay Oliver-clay.

Public Art Walk Reception-Thursday, July 20 6:30-7pm

The Public Art Walk, a joint project with the City of Hancock, has grown to 13 individual pieces. The reproductions from the CCCAC's Permanent Collection are placed in green spaces and along walking paths throughout downtown Hancock. There will be reception to recognize the artists and the partnership on July 20 from 6:30-7pm on Quincy Green. After the short reception the Copper Country Community Band will give a concert starting at 7pm. A walking tour map is available at City Hall, the CCCAC and our website.

SHIPSHAPE UPDATE

Last year our SHIPSHAPE project raised enough money to install five new windows and a new back door this summer. Currently we are waiting for our quote for a new sign and side railings. Thank you to everyone who donated to last year's campaign. Our goal is to keep the Arts Center in shipshape condition for years to come!
